Re: Kentucky Utilities Company  
Case No. 2011-00161

Dear Mr. Derouen:

I am a residential customer of Kentucky Utilities Company, and my physical address is 114 Park Manor, Middlesboro, Kentucky. I would like to go on record stating that I am strongly against the rate increase requested in the above-referenced 2011 case. The printed notice by Kentucky Utilities states, in part, "Such action may result in an environmental surcharge for consumers other than the environmental surcharge described in this Notice."

I hope the PSC will say no to any rate increase for Kentucky Utilities, including the possible "unknown" surcharge. It is so unfair that consumers are asked to carry such financial burdens while utility companies continue to make their massive profits.

I, along with many others, am counting on the PSC to do what is "right" for the consumer.

Yours truly,

Ms. Romell Johnson
